

As a tribute to our dear friend and originator of '53 Out, Donald Goss, we are going to compose this edition and following editions of '53 Out Together!!!! Your editor started and sent out Chapter 1 recently and each input from our classmates, widows, and family will add each a new chapter of words and PICTURES and memories of this lifelong experience of Dartmouth 1953.

**OUR GOAL FOR THE '53 OUT FOR DARTMOUTH'S GREATEST CLASS IS 53 CHAPTERS PER YEAR. AND THE FUN THING ABOUT THIS APPROACH TO '53 OUT IS THAT WE CAN ADD TO OR "CHANGE OUR STORY" AS WE GO ALOMG**

# Chapter One is History

*Al and Put, and Harlan and Ron, and Dick and Mark, and Angela and Laurel, and others had been planning the 65<sup>th</sup> for monthes and monthes and it all began with Put's spectacular trip to and tour of the new Lodge at Moosilauke in which Put has invested his knowledge, part of his forest! but ,mostly his heart with the love for the Mountain, the Lodge, for Dartmouth, and for 1953. "From Our Hearts, Put, Thanks and Forever"*

Here Comes **CHAPTER TWO** And here are the  
**INTREPID**S once more, either just before or just after the  
65<sup>th</sup>, at the Peak of Mount Moosilauke and they are  
[drum roll] from left to right Seth Carpenter, Harlan  
Fair, and our 65<sup>th</sup> Reunion Chair Put Blodget. WOW!!!

*And as a 6.5 decade reminder of who our undefeated Freshman Relay Team was, no, is, here they are in the following picture; L to R: John Sargent; Dick O'Connor; Allen Davis, & Harlan Fair*

*The Dartmouth over Penn crushing victory added a very special sweet taste to our 65<sup>th</sup> Reunion and John and Barbarfa Kennedy's daughter captured the joy of that afternoon game with these wonderful pictures.*

*Barbara and John Kennedy and Harlan Fair and Granthia Preston  
And the Photographer, Barb and John's daughter, Dartmouth All!!*

*And the team and spectators singing Alma Mater together. John said there was not a dry eye.*

***Jim Cartmell, my sophomore and junior year roommate, has moved from Vero Beach to Durham, New Hampshire[not NC as your editor had reported last time] They have moved close to one of Jim's sons into a retirement home. Jim and Jackie's address is 25 Worthem Road in Durham 03824 and their telephone # is 603-815-2396***

***Charlie Buchanan was unable to make the Reunion but sent along some pictures of himself and Gabby and Dan Ernst at a recent gathering on the Mississippi. Their pictures are in black and white to show Charlie's sadness in not being able to make the 65th***

## A Note From Our Ambassador Peter Bridges

Electica Magazine has just published my latest short story, "The Matter of France," which I invite you to read at [www.eclectica.org/v22n4/bridges.html](http://www.eclectica.org/v22n4/bridges.html) . It is a story, entirely fictional, of what might have happened in Europe as the Second World War was beginning. The characters came out of my head; the settings are real and I know them well—Dartmouth College in New Hampshire, Verdun, Domrémy, Geneva, and Washington. This will also complete a volume of my short stories, several of which I published earlier, about American diplomats and consuls over the last century that I am calling "Envoys."

I might just add that my new, self-published memoir, "Woods Waters Peaks, A Diplomat Outdoors," is selling even better than I had hoped it would. Forgive me if I have told you this before, but it has gotten praise from a number of people I esteem, some of whom are quoted at [www.politics-prose.com/book/9781624291654](http://www.politics-prose.com/book/9781624291654) .

Mary Jane and I so enjoyed our time with all at the 65<sup>th</sup> Regards to all. Peter

**"Other days are very near us,  
as we sing here soft and low.  
We can almost hear the voices  
of the boys of long ago.  
They are scattered now, these brothers,  
up and down the world they roam  
Some have gone to lands far distant,  
from the dear old college home  
Many have crossed the silent river,  
they are looking down tonight  
The thought of these dear brothers,  
makes our love now burn so bright."**
